Perfect Getaway (8D / 7N) Package

Day 1-Socotra Airport - Dihamri Protected Area

Socotra specialist tour staff will be waiting for you at Socotra Airport, inside the arriving hall. After welcome and greetings, you will be taken to your hotel (Summerland Hotel). The hotel is in Hadibo (the capital of Socotra Island), that is about 15km. It is about 20 min. of driving in relaxed and friendly atmosphere. You can relax in your room then join us for lunch. In the afternoon, join us to visit Dihamri marine protected area. Dihamri is known for having one of the richest and beautiful coral reefs in the island. You can enjoy snorkeling, swimming and your first sunset view in the island. In the night, you can enjoy stars watching.

Day 2- Hoq Cave – Arher Sand Dunes

After early morning breakfast, join us to drive towards the northeast side of the island to explore Hoq cave. In our way, you will notice several fishermen villages along the seaside. Hoq cave is a great place to experience the fabulous stalagmite, stalactite along a distance of 3 km inside the cave. To reach the cave entrance, grade 1 hike for 90 min is required. After exploring the cave, you may return back around 12 noon and meet the drivers to move to Arher sand dunes. Arher is an area with fabulous white sand dunes. The sand was pushed by monsoon wind from thousands of years ago to form two huge dunes of white sand. In Arher, you will witness the miracle of life, where fresh water streams runs from under the sand dunes all year around. In Arher, you can show your endurance level by walking up the sand dunes; otherwise you can swim or take a shower in the fresh water. Overnight stay is in our campsite in Dihamri.

Day 3 – Homhil (home of frankincense trees) – Momi.

Today, after breakfast and short drive to the edge of Momi mountain, get ready for nice short trekking up to homhil plateau. Homhil is one of the famous attractions in the island due to its natural beauty. Its beautiful landscape, the presence of dragoon blood trees alongside the mountain, and it's natural fresh water swimming pool make the area very special and printed in your mind forever. Homhil is about 40 km away from Hadibo and it is a place where you will make great memories. At noon, join us again to drive Momi where you will be enjoy great views and meet locals along the villages beside the roads. In afternoon, we will be heading back to the campsite for dinner and overnight.

Day 4- Nojed Area

In this day, you will be discovering the beauty of the southern part of the island. After breakfast, be ready to join us to cross the island from north to south, all the way from the Arabian Sea to the Indian Ocean to explore Nojed area. The drivers will drive through the old road to have nice views of Wadi Difarho and the beautiful villages all the way to the south side. We may take a quick stop at Zahi q sand dunes to enjoy the scenery and take photos then continue to Ameq beach for lunch break. In the afternoon, you will enjoy visiting Digub cave. Overnight stay is in Amaq campsite.

Day 5- Dixam Plateau (Home of dragoon blood trees)

After a quick morning swim in the Indian Ocean and breakfast in Ameq campsite, we will be heading towards Dixam plateau passing by different shapes of bottle trees along the way. Dixam is known as the home of dragoon blood trees. These are the most famous and fabulous trees which can be witnessed here in Socotra. The wonderful view points and the interaction with local children and villagers make the day great. Later on we will be visiting Wadi Dirhur where you may enjoy the fresh water swimming pool, having your lunch, and the view from the bottom of the valley. Overnight stay in the hotel.

Day 6- Qalansia - Shouab

After a wonderful day with dragoon blood trees and there beautiful and bizarre shapes, today after breakfast, you will join us to drive to Qalansia. Qalansia is the second largest district in the island after Hadibo. You may have noticed the long white sandy beach before landing in Socotra airport. Today you will enjoy the amazing clean, quiet and mesmerizing beach of Ditwah. We will take a boat trip to Shouab beach. During the boat trip you may watch swimming dolphins, folks of cormorants and other type of sea birds, which make the trip very exciting and stay in your minds forever. After a quick dip in the crystal clear water of Shouab beach, we will return back to Qalansia to enjoy the rest of the day.

Day 7- Wadi Ayhaft

After breakfast, you may join us to explore Wadi Ayhaft. In this Wadi, you will enjoy its wonderful cover of green plants and different endemic species of Socotra trees. You can walk around the wadi, interact with locals, or walk for a short time to a natural swimming pool where you can enjoy swimming. In the afternoon, we will be returning back to the hotel. Enjoy your free afternoon to walk around in the hotel surroundings and explore Hadibo souq to watch local interactions and take great photos.

Day 8- Hadibo- Socotra Airport

In your last day in the island, you will enjoy your goodbye breakfast and then you will be transferred to the airport. We wish you a save flight and we will be waiting for you to come and join us again in Socotra with your friends and love ones.
